Dear [REDACTED]

I was very pleased to receive your letter of 7 January 1947 with the news that you have located an interesting job for a temporary period, at least. Nothing new has developed on the plans we discussed when you were in Washington. As you can easily imagine, any such developments must be delayed now until after the new Congress has passed on appropriation measures.

Whenever I receive authorization to proceed with an expanded program, I shall get in touch with you.

Sincerely yours,

FOIAb3b
